Finistop

DESCRIPTION

Finistop is an anti-slip carpet underlay which increases slip prevention for you and your surroundings. Its particular anti-slip grid structure ensures that carpets and carpet strips always remain in place, do not form dangerous creases and provide floor grip. Besides this safety aspect, Finistop also guarantees user-friendliness:

- easy to cut into the desired shapes and sizes
- suited for all types of floors: wood, laminate, ceramic, marble, cork, etc.
- exceptionally well suited for floors with underfloor heating
- light-weight and easy to fit
- washable up to 30°C
- environmentally friendly: based on naturel latex
- increases comfort and extends the life expectancy of your carpet
- available in various sizes.

APPLICATIONS

- can be used in any room where there are carpets or carpet strips
- can also be used in bathrooms and kitchens

- car boot: use the anti-slip mat and prevent objects from sliding around in your boot whilst driving; suited for all types of cars: can be cut according to the size you want.
